Sexual Assault Nurse Examiner Training

October 29th—31st, 2012

Trainer:

Debra S. Holbrook, RN, CEN, SANE-A, FNE A/P, Coordinator of Mercy's Sexual Assault Forensic Examination (S.A.F.E.) program in Baltimore, Maryland.

Debra Holbrook is a graduate of Johns Hopkins School of Radiologic Technology and The Union Memorial Hospital School of Nursing. After working in the field of critical care, she founded a Forensic Nurse Examiner Program in Delaware that became a model for the United States.

She is the recipient of numerous international awards, including the Delaware Nurse of the Year, and the International Association of Forensic Nurses Pioneer Award.

OBJECTIVES:

1. Participants will be able to recognize the difference between sexual assault and abuse victims, adolescents & children.
2. Participants will be able to understand the laws regarding adolescent and pediatric victims of sexual assault and abuse.
3. Participants will understand the key concepts and practices of a Multi-Disciplinary team approach.
4. Participants will be able to describe the stages of pediatric growth and development as pertinent to sexual growth and development.

Registration fee of \$150
