Brighten a child's moment while at
CAPstone, "a place to be heard, a place
to heal"

CAPstone Child Advocacy Center is a
community-based center that provides support
to child victims of physical and sexual abuse
and their family members. The Center's overall
goal is to improve the quality of investigations
and outcomes for children.

During 2018 Chadron CAPstone Office
served **75** children and their families
from the area.

We have recently moved into a new building
and are working towards making it a child-
friendly safe atmosphere for families that
come to CAPstone. We are asking Chadron
community members and businesses help to
create that atmosphere by buying a tile today!

We will be selling the tiles
throughout February and March.

For any questions or to buy a tile
contact the CAPstone Staff at
308-432-6916 or stop in at 316 Main
St. Chadron, NE 69337

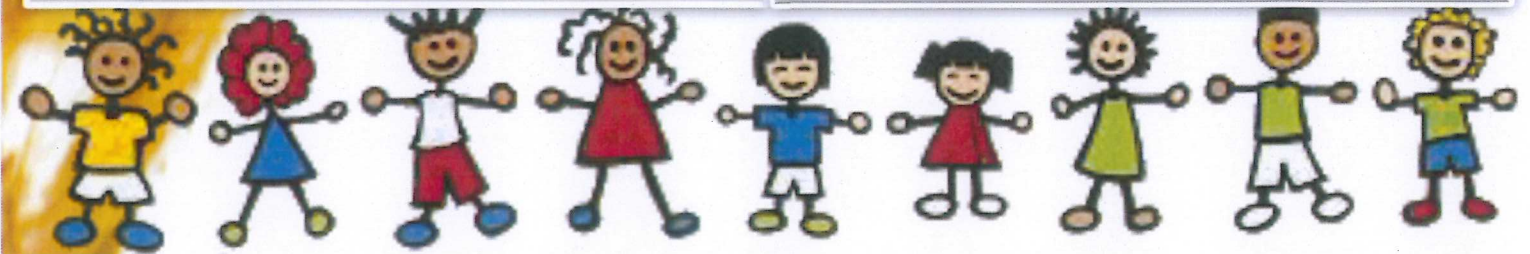

Or go to our website at:

www.capstonenebraska.com

Or to our Facebook page at:

CAPstone Child Advocacy Center

To celebrate we will be having an open
house tentatively in **May** so that the
Tiles of Hope can be premiered and all
donors and the community will be
invited to attend.
